NO.FLS/D-II/Regn./of 1986
Office of the
Commissioner for Co-operation and
Registrar, Co-operative Societies,
Maharashtra State
Pune-1 the 23rd September 1986

*: C I R C U L A R :-

It has come to the notice of undersigned that some of the District Deputy Registrars/ Registering Authority have registered the Forest Labourers Co-operative Societies without obtaining 'No Objection' Certificate from the Forest Department regarding availability of felling series which are to be given as area of operation to the Societies. This is absolutely irregular on the part of registering authority. They should therefore bear in mind that 'No objection' Certificate from Forest Department is must for a registering Forest Labourers Co-operative Societies.

19/9/86

You should also ensure that in future Forest Labourers Co-operative Societies do not alter or add any felling series to the existing area of operation of the societies without obtaining certificate regarding availability of felling series from the Forest Department.
