Resolution No.TMR-1380/98056-F-5,
Mantralaya, Bombay-32, dated the 11th Nov. 1980.

The C.C.F.letter No.D-16/Sch/rates/A-212 of
80-81, dated 18-8-1980.

RESOLUTION : In partial modification of para 3 of the G.R., quoted above, Govt. is pleased to direct that the schedule of rates shall be deemed to be the rates fixed by the C.F. concerned (and not by the C.C.F.) from time to time, representing approximately the price which would have been realised if the material would have been sold by auction/tender. For this purpose the C.F. should fix the scheduled rates for each species and grade for each depot in their respective circles and ensure that the rates are ~~revised~~ revised at least once in a year. If the C.F./D.F.O. feels that the prices of any type of timber have increased ~~substantially~~ substantially i.e. by about 20% within a short period, the C.F./D.F.O. should revise the price without waiting for a period of one year to elapse. A copy of the schedule of rates fixed by C.F. should be invariably forwarded to the C.C.F. In case, the C.F. has not fixed the schedule rates in respect of any item or for the specification desired or for any area or the period for which the same having been fixed, is over the D.F.O./Ind.D.F.O. shall be competent to determine the scheduled rates for the teak/hardwood desired on the basis indicated above.

This Resolution issues with the concurrence of the Finance Deptt.(vide its un official reference No. 885/80/EXP-10, dated 14-10-1980).
